

Decorative LED Wall or Ceiling mounted luminaire

Kite

Description

Kite is a decorative LED luminaire suitable for wall or ceiling mounted installations. Using the Tridonic board and driver for optimum performance. Kite has a glass diffuser with tasteful subtle marbling effect and polished chrome fixings and is available in colour 3000K and 4000K. Dimming options are also available.

Kite is an ideal addition for residential, nursing homes, hotels, corridors areas and the like. It is an ideal replacement for wall and surface mounted traditional lamp fittings which require upgrading to LED to enjoy savings on energy and lamp replacements. (Please email for more details if a survey is required)
