

Decorative LED Wall Light

Ara

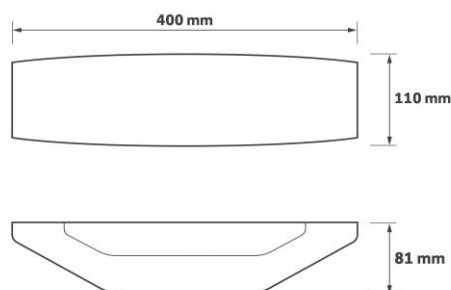

Description

Ara is a classy yet practical, decorative LED wall light with a Tridonic LED module and an integral driver. It offers bidirectional light output and can be mounted vertically as well as horizontally. Opal acrylic diffusers ensure it gives an homogeneous illumination.

Available in black or white as standard with any RAL colour as a variation.

Ara is an ideal addition for Commercial, residential, nursing homes, hotels, corridors areas and the like. It is an ideal replacement for wall and surface mounted traditional lamp fittings which require upgrading to LED to enjoy savings on energy and lamp replacements.
