

Shallow LED Downlighter

Sorad Faceted

Description

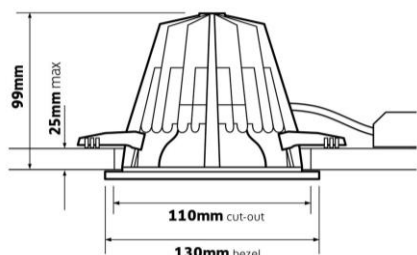

Sorad Faceted is part of our fixed LED downlighter range, using the latest LED technology and a multi faceted reflector, we achieve an outstanding luminaire efficacy of up to 127lm/w. All data is actual.

Sorad are available in Faceted, Satin and Specular reflectors, all have a wide range of wattages and available as standard in colour 3000K and 4000K. Dimming and emergency options are also available.

Please see accessories sheet for attachments.

Sorad is an ideal solution for accent lighting within retail, office, receptions to name a few.

Please contact us for more details, if a survey is required or for any variants required
