

Recessed LED Downlighters

CASIN C

Description

Casin C LED downlights are designed to replace the traditional PL downlights commonly seen within offices and communal areas. The solid construction of this unit offers both uniform light distribution and maintenance free operation. Using original Epistar LEDs with opal cover giving a uniform light distribution.

Casin C comes pre wired with driver and Dali/DSI/1-10v dimming as options, controls offer great savings if used. Please contact us if you require any additional information.
