

INTERIOR LED HIGH BAY

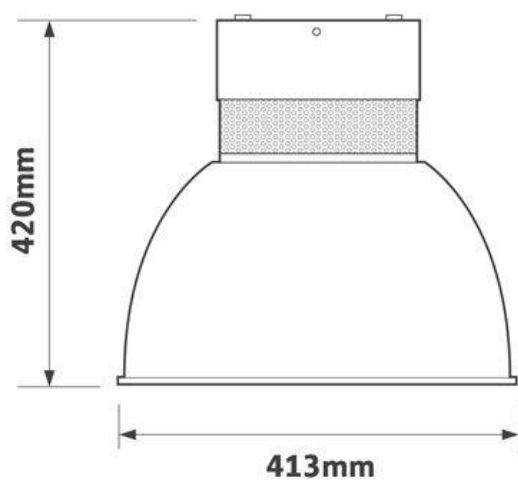

MORANT

Description

Morant is an architectural interior high bay LED pendant, it comes complete with 2mt adjustable suspension kit and white gear housing as standard, other colour options are available.

Morant provides up to 4844 lumen output and an efficacy of up to 108lm/w. It also boasts a 60000 life expectancy. For higher wattages please contact our Sales office.

With dimmable control option along with other options as below it is also an ideal replacement for high pressure sodium lamps/metal halide lamps and can offer great savings and a fast pay back. (Please email for more details if survey required)

Please add lens if required (see options)
