

Fully adjustable LED Track mounted luminaire

Lazuli

Description

Lazuli is a fully adjustable LED track mounted luminaire, using the latest LED technology and a multi faceted reflector with a range of beam options. Choose any RAL colour as an option to compliment interior design.

Lazuli offers a wide range of wattages and is available in colour 3000K and 4000K. Lazuli comes complete with a universal track adapter suitable for either single or 3 circuit track.

Lazuli is an ideal solution for accent lighting and can easily replace existing fittings on track which accept universal adapter, giving all the benefits of LED for savings and fast pay back.

(Please contact us for more details if a survey is required or for any variants required)
