

Fully adjustable LED Track mounted luminaire

Dunlin X

Description

Dunlin X is a fully adjustable LED track mounted luminaire, using Xicato latest LED technology and a multi faceted reflector with our standard beam angle of 40° and the option of narrow or wide beam. Choose any RAL colour as an option to compliment interior design, white, black and grey mix are standard.

Dunlin X offers a wide range of wattages and is available in colour 3000K and 4000K. Dunlin comes complete with a universal 3 circuit track adaptor, with an option for a single circuit track.

Dunlin X is an ideal solution for accent lighting and can easily replace existing fittings on track which accept universal adapter, giving all the benefits of LED for savings and fast pay back.

Replacement of existing fittings is required or for any variants required
