

Fire rated IP65 Recessed LED Circular Downlighter

WREN FR

Description

Wren FR90 IP65 is a small recessed LED circular Downlighter which is fire rated for 90 minutes and IP65, this eliminates the use for fire hoods and is ideal for bathrooms or other areas requiring IP65 or fire ratings. Comprising of Citizen LED module with Osram Flex dip driver as standard.

Wren FR is designed to sit within various ceiling types with its simple installation mechanism.

Ideal for numerous applications within commercial, hospitality and residential sectors to name a few.

Please contact us for more information

Please note Emergency LED indicator is not IP65, so will need to be sealed on site if required.
