

Surface or suspended LED Downlighter

Toucan Surface

Description

Toucan is a family of independent luminaires offering all methods of installation within the given space, semi-recessed, surface or suspended. Surface and suspended are available in 1, 2, 3 or 5 LED luminaires, each can be moved in the axis of the body of the luminaire, tilted up to a 45° angle and rotated by up to 355°. Toucan is available in 4 beam angles - 21°, 28°, 40°, 63°.

Toucan has numerous other options, please contact us for your requirements.

Dimensions above are for 420mm, also available in 720mm and 1020mm
