

Recessed LED Square Luminaire

Falco 600

Description

Falco is a family of recessed LED square luminaire, enabling consistency throughout project design. Available in 244mm, 600mm (nom) and 1200mm (nom).

Falco is back lit and designed using a Tridonic module and is suitable for either 15mm or 24mm exposed grid systems with 600mm Tees. Options are available for various ceiling types and air handling, Dali etc.

High transparent acrylic opal optic gives constant, even, light distribution across the surface of the luminaire. Low glare UGR19 on 3300lm version and with Falco's high efficacy aids compliance with Building regulations Part L2.

In addition it is an ideal replacement for conventional florescent luminaires and with Dali option offers great savings and a
