

Recessed LED Downlighter

Pipet Specular

Description

Pipet is a recessed LED downlighter, offering both comfort and efficiency and with a full range of wattages and reflectors is an ideal solution throughout many applications. Pipet has three reflector options and a minimum bezel. Also, an option for a white reflector.

It is an ideal replacement for the old PL horizontal lamp downlighters or for any new installations. Dimming and emergency options are all available.

Please contact us if you require any variations or further assistance.
