

Recessed Architectural LED Downlighter WW

Chaffinch WW

Description

Chaffinch WW is a small LED Wall Wash Downlighter, in terms of design and features it offers both comfort and efficiency with numerous options and an ideal solution for many applications. Chaffinch range has a deep set Tridonic full spectrum COB LED and also fitted with an IP44 protective lens as standard. The darklight baffle assists with minimal glare but other options are available, white softlight baffle is a favourite. Chaffinch WW is an ideal replacement for LV downlighters which not only brings savings in energy but also saves any lamp replacements.

Standard minimal glare baffle

White softlight baffle
