

Recessed, Surface or Suspended LED MPO Edge Lit Flat Panel

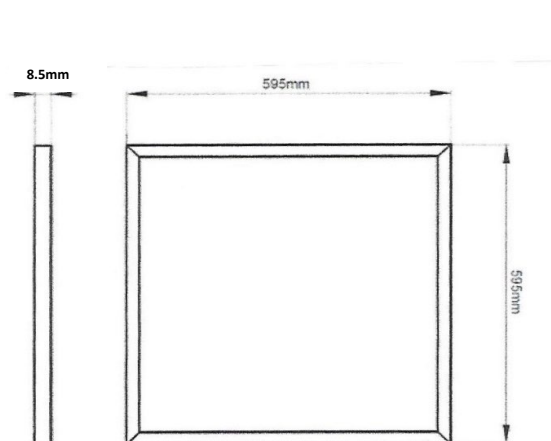

CASIN MPO

Description

Casin MPO LED Edge Lit Flat Panel uses the very latest technology. The MPO ensures $UGR < 19$ and gives constant, even, light distribution across the surface of the luminaire.

Casin MPO has a white housing with a Microprism optic and is designed to sit within an exposed T ceiling. Offering versatility with suspension kits and surface mounted housing it offers solutions for different areas and ceiling restrictions. Energy savings of up to 60%, Tridonic DALI and dimmable control option. It is an ideal replacement, when costs are critical, for fluorescent luminaires and can offer great savings and a fast pay back.
