

Description

Sibia is an LED system, designed for surface or suspended continuous lines of light available in 4 standard lengths with various lumen outputs including low glare optic and high and low lumen outputs options. Sibia is easy to install and has various dimming and emergency options. For Sibia direct only and surface please see separate data sheet.

Sibia houses the most efficient latest generation Tridonic LEDs with long life and energy efficiency.

Please contact us for more information or specific requirements

Options		Information	
Description	Add to part code	Light Source:	LED
White	Standard	Wattage:	See options and enquire for specific wattages
Black	/BLK	Direct-Indirect :	75-25
Grey	/GRY	Housing:	Extruded Aluminium
Opal diffuser	Standard	Lengths:	Various please enquire for specific
Low glare prismatic Optic	/LG	Optic:	Opal standard, Low glare optic option
High output	/HO	IP rating :	IP40
Low Output	/LO	Control:	DALI driver available
Emergency	/EMI		
DALI Dimmable	/DALI		
Colour Temperature 4000K	Standard		
Colour Temperature 3000K	/3K		
Suspension kit	/SK
